# Christina Dennis cldennis@wisc.edu

# Education

### University of Wisconsin-Madison

M.S./Ph.D. in Geography

Advisor: Holly Gibbs Expected Graduation 2027

#### Bachelor of Arts in Cartography & GIS with Honors

Senior Honors Thesis: Incorporating a User-Centered Design Approach into Mapping the Cultural and

Natural Resources of the Lower Wisconsin State Riverway

Graduated: 2022

# Cartographic and GIS Experience

# Gibbs Global Land-Use and Environment Lab (GLUE) Jan 2023 to Present

RESARCH ANALYST AND ASSISTANT

- Built a national property-level database with tax parcel data
- Conducting research on US private property conservation practices

#### Andrew Stevens Agricultural Economics Lab Sept 2023 to Present

RESARCH ASSISTANT

• Developed a database of Wisconsin farms through time using property data-pipeline from tax parcels

# Prior Research Exprience

# Wisconsin State Cartographer's Office

RESEARCH SPECIALIST Sept 2022 to Sept 2023

- · Led vulnerability assessments with stakeholders in Ashland Co, WI for locally contextual flood risk data
- · Disaggregated data with dasymetric mapping to create flood risk geodatabase
- Created online web tool and documentation for local stakeholders to recreate the process
- Led routine field work using web tools for validation

#### Student Intern Sept 2021 to May 2022

- Developed the Wisconsin Historical Atlas using a combination of ESRI software and ArcGIS Online
- Created custom interactive web maps and apps using HTML, CSS< JS, and other frameworks</li>
- · Geodesy project lead for external clients
- Madison Oak Mapping map creator for external client

#### NASA DEVELOP, Science Systems and Applications Inc.

ARIZONA STATE UNIVERSITY TEAM MEMBER May 2022 to Aug 2022

- Incorporated NASA Earth Observations and other remote sensing products to help the City of Albuquerque plan their tree planting initiative to reduce urban heat
- · Led the modelling and map creation of heat risk mitigation maps and data
- Selected as team representative to present project findings at NASA headquarters in D.C.

# Wisconsin Sea Grant Institute/UW Cartography Lab

GIS STUDENT INTERN AND RESEARCH SPECIALIST Sept 2021 to Aug 2022

- Used LiDAR data, ArcPro, GeoPlanner, Story Maps to analyze to plan Green Infrastructure practices
- Updated coastal access point data for Wisconsin Coastal Access Inventory using Excel, AGOL, ArcPro

- Designed Field Maps form to aid Coastal Inventory field workers
- At Cart Lab: Made maps for Coast Access Inventory book
